Resolution ALJ-384
Administrative Law Judge Division
[Date]

R E S O L U T I O N

RESOLUTION ALJ-384 – Dismisses [K.20-04-004](#), Appeal of American PowerNet Management, L.P. from Citation No. E-4195-73

Upon joint motion of American PowerNet Management, L.P. and the Consumer Protection and Enforcement Division, this appeal is withdrawn.

The Consumer Protection and Enforcement Division (CPED) issued Citation No. E-4195-73 to American PowerNet Management, L.P. (APN) for APN's failure to meet certain of its resource adequacy requirements, as reflected in APN's October 29, 2019, year-ahead resource adequacy (YARA) submission. APN appeals the citation on the basis, among other things, that the citation inaccurately calculates the penalty by not accounting for the fact that APN cured much of the deficiency within five days of Energy Division's deficiency notice which, under the resource adequacy penalty structure, would produce a smaller penalty.

In order to save resources, CPED agreed to settle the dispute by reducing the citation penalty to the amount that would have been assessed had APN timely filed a correction to its YARA submission. CPED and APN therefore jointly move to withdraw APN's citation appeal.

Good cause shown, the motion is granted.

THEREFORE, IT IS ORDERED that this proceeding is closed.

This resolution is effective today.

I certify that the foregoing resolution was duly introduced, passed, and adopted at a conference of the Public Utilities Commission of the State of California held on _____, the following Commissioners voting favorably thereon:
